Visionary Leadership

Sri. Suresh Sukumaran, who hailed from the soil of Varkala, studied and brought up in the knowledge hub of London, had the occasion and privilege to enjoy the warmth and security of world's education in London. His parents always wanted their son to carry their love for India and Kerala and always be patriotic. They wished that one day their son would share his sweat and wealth for the betterment of their birthplace.

Imbibing the sacred tenants of Sri. Narayana Guru, the advice of his parents and his own conviction, Sri Suresh Sukumaran has decided to open up a knowledge village in Varkala in the name of Kidz Palace Global Smart English School which could ensure world standards.

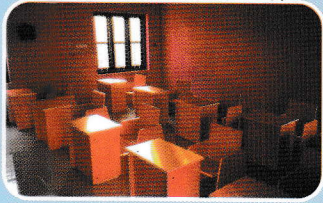

Location

Kidz Palace Global Smart English School is located in the very sacred land of Varkala, in the neighbourhood of Satguru Sri Narayana Guru Swamikal's sacramental place of peaceful sojourn. Sivagiri Varkala is internationally famous for its abundant natural beauty, spiritual and cultural heritage.

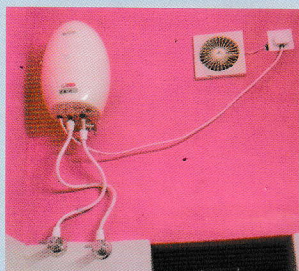

Sri Narayana Guru was indisputably the harbinger of social revolution in modern Kerala, so was his convictions about education as a common man's tool to reach out and rise up to the best lives and cultures across the world.
